Corona Del Mar Middle School Kicks Off the Holiday Day Season at VA Long Beach

Long Beach, Calif. – More than 100 middle school students from Corona Del Mar Middle School will launch the Holiday Season with hospitalized Veterans at Tibor Rubin VA Medical Center in Long Beach. Veterans will enjoy a “USO” style show including music, song and dance. A brunch consisting of traditional holiday fare will be served, and Holiday gifts coordinated by the faculty, students and supporting parents will be distributed. The goal is to remind hospitalized Veterans that they matter, they are cared for and they are supported by our community.

Who: Tibor Rubin VA Medical Center and Corona Del Mar Middle School

What: Holiday celebration with more than 100 middle school students and inpatient Veterans

When: December 9, 2019, from 9:30 a.m. to noon

Where: Tibor Rubin VA Medical Center, Community Living Center
5901 East 7th St. Long Beach, CA 90822

Why: To ensure hospitalized Veterans know what they did matters, they are cared for and the Holiday Season is safe and secure because of their service.
